Save the Brentford Watermans

We the undersigned petition the council to Stop the closure of the Watermans and support its continuing operations at 40 High Street, Brentford with some of the developer contributions gained from previous development in our town.

We note the current financial difficulties of the Watermans Art Centre and that the Council has previously pledged to keep the Watermans operating in Brentford and to commit all the proceeds of any sale of its current site to securing a new home for the Watermans and additional social housing in Brentford - and we hold them to that promise. Ongoing operations could be readily financed from s106 and CIL gained from previous developments in Brentford. **MORE DETAILS ON the website www.saveourwatermans.uk**
